

“The times they are a changing...”

AN INVITATION TO ACTION

On Saturday, September 29, from 12-4, Focus Ink will be hosting an open house / progressive event where people can “Network for Change.”

Several dozen progressive groups, candidates and elected officials will be present to help form alliances for change.

There will be refreshments (food or drink donations welcome) and parking will be at Highland High School.

We hope you can join us. If you know of any groups that may benefit from having a table, have them contact Nancy Denker... and spread the word!

See you on the 29th!
