Mainstream media is refusing to cover this revolution. This is a non violent movement for social transformation. Gandhi's birthday is this weekend and Albuquerque is being called to join the rest of this country in solidarity with 65 cities across the US! Plus The United Kingdom and Australia. This is growing like wild fire. Let this wild fire make a positive difference. This Saturday the West Coast will stand up and we will join them and all other cities participating.

There is NO " leader" in this movement. We are working together. Horizontal leadership.

**GATHER TO CIRCLE AT 11 am.** Lets face each other in a circle before we face outward to our community. Please bring any medicine you have like sage, cedar, copal & incense.

### WHAT TO BRING:

\*\*\*\* RE: Police Brutality : CAMERAS, VIDEO and audio recording devices. Small pad of paper and pens.

\*\*\*\*BRING FEATHERS TO THE DEMONSTRATION... WHY?

We are the "Feather People" gentle, non violent. Multi-generational movement for social transformation. 1955 – 2011

\*\*\*\*\*Everyone make a sign that says "We Are The 99%" OR " We are not here to disturb the peace of our city. We are disturbing the greed and injustice of this world."

\*\*\*\*\*We will sit in silence for some of the demonstration holding these signs. Other signs are also welcome.

\*\*\*\*\*PLEASE SPREAD THE WORD BURQUE! Let's get on this train ... for future generations!

**We Are the 99%** -- We are getting kicked out of our homes. We are forced to choose between groceries and rent. We are denied quality medical care. We are suffering from environmental pollution. We are working long hours for little pay and no rights, if we're working at all. We are getting nothing while the other 1 percent is getting everything. We are the 99 percent.

Occupy Wall Street is a people-powered movement for democracy that began in America on September 17 with an encampment in the financial district of New York City. Inspired by the Egyptian Tahrir Square uprising and the Spanish acampadas, We vow to end the monied corruption of our democracy ... and cities all over America are doing the same!
