

What did you think of last November's General Election?

As part of an on-going effort to ensure accuracy, fairness, integrity and efficiency in our election process, County Clerk Maggie Toulouse will be hosting the following opportunities for the public to provide input and feedback:

1. Public Forum

Party Activists and individuals (poll workers, challengers, watchers etc.) who were involved in the General Election are invited to share their experiences, concerns and suggestions in a panel forum environment. Members of the panel will include the County Clerk, Deputy Clerk and Bureau of Elections staff. Comments will be recorded and compiled into a working list that will be considered when planning for future elections.

SATURDAY APRIL 21, 2007
