We are Grassroots 4 Public Option, non-partisan Grassroots volunteers in New Mexico, dedicated to fighting for vigorous healthcare reform and the public option. On Sunday, September 13, we are joining a network of nationwide marches already organized in over 15 cities -- Washington, DC, New York City, Los Angeles, San Francisco, Chicago, Oklahoma City, Phoenix, Austin, Madison, Portland, Seattle and more.

Each city is organizing a simultaneous march on Sunday, September 13th across the USA.
THIS ONE IS FOR NEW MEXICO!

VISIT <http://www.marchforhealthcare.com/> for more national information.

Congress is wavering on the public option. We must demand it if we expect lower healthcare costs and coverage for all.

Our Senator, Jeff Bingaman, is one of the 'gang of six' and sits on the crucial Senate Finance Comm. Senator Bingaman needs to hear our voices and SEE our passion. So does President Obama! They must understand we want the Public Option NOW! and we EXPECT them to FIGHT for it!

Let's March, New Mexico!!!
