Drinking with a New Mexican Girl

A Mexican man, an Arab man, and a New Mexican girl are all in the same bar.

The Mexican finishes his beer, he throws his glass in the air, pulls out his pistola, and shoots the glass to pieces. He says, 'In Mexico, our glasses are so cheap we don't need to drink with the same one twice.'

The Arab, obviously impressed by this, drinks non-alcohol beer (cuz he's a Muslim!), throws it into the air, pulls out his AK-47, and shoots the glass to pieces.

He says, 'In the Arab World, we have so much sand to make glasses that we don't need to drink with the same one twice either.'

The New Mexico girl, cool as a cucumber, picks up her beer, downs it in one gulp, throws the glass into the air, whips out her 45, and shoots the

Mexican and the Arab.

Catching her glass, setting it on the bar, and calling for a refill, she says,

'In New Mexico, we have so many illegal aliens that we don't have to drink with the same ones twice.'

"GOD BLESS NEW MEXICO AND THAT PARTICULAR NEW MEXICAN GIRL"
